CBHN HEALTH EQUITY FORUM

NAVIGATING HR1

› WHAT'S CHANGING › WHAT'S NEXT › HOW TO STAY COVERED

HARVARD MED
UCLA FACULTY
HEALTH EQUITY

FEATURED SPEAKER

Dr. Monica Soni

Chief Medical Officer, Covered California

A Harvard-trained internist and *"agitator for change,"* Dr. Soni has spent two decades at the crossroads of medicine, social justice, and health policy. Before becoming CMO at Covered California, she led specialty care across LA County's public health system, the second-largest in the nation. She is also an Associate Professor at UCLA and Charles R. Drew University.

DATE	TIME	FORMAT	COST
March 26, 2026	12 – 1 PM PT	Virtual Webinar	FREE

WHAT WE'LL DISCUSS

- Rising Healthcare Costs
- Shifts in Coverage & Eligibility
- What to Expect in 2026–27
- Medicaid & Medi-Cal Impacts
- Impact on Black Californians
- Protecting Your Coverage

Join the California Black Health Network for an interactive discussion on the impact of **HR1 (One Big Beautiful Bill Act)** on healthcare access, availability, and affordability — and anticipated changes affecting **Black Californians** and other vulnerable communities. *Don't miss this opportunity to get informed, prepare for changes, and advocate for your health.*
